Reg# 11005

January 12th,2010

As a Registered Physiotherapist, I am frequently dealing with individuals who are looking to optimize their mobility and maintain their independence. I regularly recommend the Quick Tub System as an affordable and effective option for self-bathing. I am not aware of any other product on the market that provides the walk through option with a removable door feature.

Daniel Flint R.P.T.
Registered Physiotherapist.
